

Key to Success

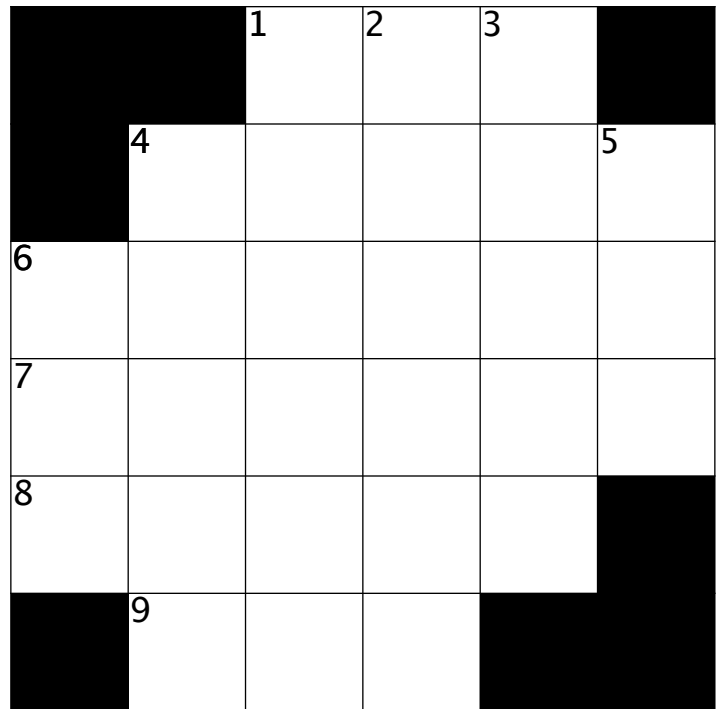

ACROSS

1. "Silent Spring" subj.
4. Bee too much of a helicopter parent
6. Part of a heat wave
7. Standard keyboard layout that became popular with the release of the Remington No. 2 typewriter in 1878
8. Marner of fiction
9. Rockies dweller

DOWN

1. "Ooh, now THAT'S interesting..."
2. Alternative keyboard layout to 7-Across that's arguably faster and more ergonomic (but never caught on as the de facto layout)
