ACROSS

1. Wrecks, in gamer-speak
5. With 2-Down, classic cracker spread whose formula has changed over the years due to dairy sourcing and the regulatory environment (per 2013's "Salt Sugar Fat," an original developer of the product said in 2001 after trying it for the first time in ages, "Holy God, it tastes like axle grease...What the hell did they do?")
7. "The Ten Commandments" setting
8. Bupkis
